Objective

To contribute effectively to a dynamic organization using my technical skills while continuously learning and growing in software development.

Education

United College of Engineering and Research, Prayagraj **Oct 2022 – July 2026**
B.Tech in Computer Science and Engineering *SGPA: 7.11*

St. Thomas School, Gopiganj, Bhadohi **April 2020 – May 2021**
Intermediate in PCM *Percentage: 87%*

Technical Skills

Languages: Java, C
Database: SQL, MongoDB
Web Development: HTML, CSS, JavaScript, MERN Stack
Core Subjects: DBMS, OOPs, OS, CN
Tools: VS Code, GitHub

Projects

QuickHire Job Portal | MERN **dec 2024 - feb 2025**
Developed a job portal with MERN stack (MongoDB, Express.js, React.js, Node.js) to ensure a fast, scalable, and secure application architecture. It includes modern features like JWT-based authentication, role-based access, job filtering, and real-time updates. Additionally, AI-powered components such as a Resume ATS Analyzer and AI Mock Interview Module are integrated to enhance the user experience and improve hiring efficiency..

AI Virtual Assistant | MERN **june 2024 – nov 2024**
Developed a conversational virtual assistant by leveraging the MERN stack (MongoDB, Express.js, React, Node.js) and integrating the Web Speech API for real-time voice interaction. Implemented secure user authentication with JWT and bcrypt, and utilized Cloudinary and Multer for custom media handling; successfully deployed on Render.

Hotel Management System | Core Java **oct 2023 – april 2024**
Developed a Hotel Management System using Core Java featuring secure user login, room booking, and reservation management. Implemented room availability tracking and customer record handling with a clean, menu-driven interface. Utilized OOP principles, Java Collections, and file/database operations to ensure smooth and efficient workflow execution.

Educational Website **Mar 2023 – Aug 2023**
Developed a responsive educational site with quizzes and course pages.

Certifications

Web Development – Edunet Foundation (AICTE)
Web Development – IIIT Allahabad
SQL and Relational Databases – IBM SkillsBuild
Core Java – United Group of Institutions

Skills

Leadership, Teamwork, Adaptability, Decision Making
